Welcome to your monthly SchoolMint Enroll newsletter! We're excited to share product updates, resources, maintenance notes, and more to support your journey with us.

Hi, there.

Welcome to June!

We know how busy you are right now with continuing registration, SIS data, and closing out the year, so this month's newsletter will be short and sweet.

Below, we have some webinar training dates for those who are new SchoolMint Enroll administrators as well as some items **all** users should review prior to fall.

New to SchoolMint Enroll? Sign up for free training sessions this summer!

We are excited to announce a comprehensive webinar series designed to equip new administrators with the fundamental skills needed to effectively

navigate and manage their SchoolMint Enroll platforms.

This webinar series will be hosted every other week from June 11 to July 25. Each week, we will focus on a single topic:

- Form Building
- Applications 101
- Saved Views and Reports
- Communications

For your convenience, each webinar will be offered twice during its scheduled week on separate days and times, allowing you to choose the option that works best for your schedule.

Click the button below to register for the session(s) you need — and get fully prepared for SchoolMint Enroll success!

Get Enroll-Ready for Fall

Set aside time this summer to prepare for the new year in SchoolMint Enroll. This month, here are some items you should review:

- Review forms fields and priorities that may need to be set to “Clear on Rollover”
- Manage retained students or students skipping a grade next year
- Review what worked or didn’t work in your forms

All of this — and much more — are covered in our recorded webinar, Preparing for Roll Over.

Click the button below to access the recording, presentation, and other helpful materials.
