Welcome to your monthly SchoolMint Enroll newsletter! We're excited to share product updates, resources, maintenance notes, and more to support your journey with us.

Hi, Angelica.

Welcome to August — and, of course, happy **Back-to-School Month** for those of you starting in the coming weeks!

In this month's newsletter, you're getting some great resources regarding **application season** as well as some maintenance notes for yesterday's **SchoolMint Enroll 2.4.1** release.

Webinar Tomorrow:

Application Preparation

Prepare for a Successful Application Season

Tomorrow, August 8, we're streaming our newest SchoolMint Enroll webinar training — and this one is all about essential techniques for a successful application season!

Sign up for **Application Preparation** with SchoolMint Enroll pro Alexis Robin, and you'll learn:

- Essential techniques for preparing and optimizing enrollment applications.
- Strategies to enhance application accessibility and user experience.
- Insights into maximizing application completion rates.

We hope to see you there, so click the button below to sign up — and don't forget to share the link with your peers!

Maintenance Notes: SchoolMint Enroll 2.4.1

Yesterday evening, we released some minor improvements to your software in the 2.4.1 update.

This release includes the following enhancements:

- Reporting on Guardian Account Information
- Dynamic Views and Editing Applications
- Change History Filtering by Date Range

- [Alert for Guardian Accounts without a Preferred Communication Method](#)

To get the full article, click the button below!
