

SchoolMint Enroll Re-Enrollment Ready

Meet the Hosts

Alexis Robin
Sr. Professional Services Specialist
Presenter

LaToya Guillory
Customer Experience Manager
Q&A

Agenda

1. Re-Registration Forms
2. Setup Your Re-Reg
3. Test from Guardian View

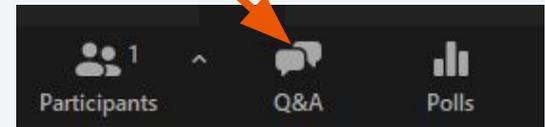

Logistics

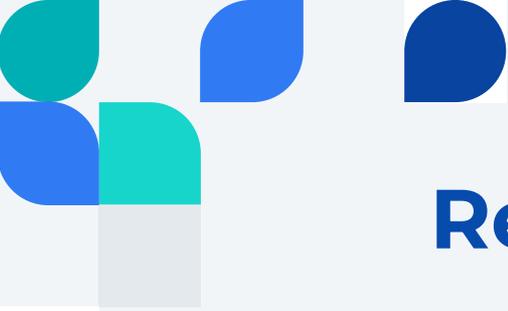

Slides, recording, and related resources will be shared in the follow up email tomorrow

Live Q&A throughout:

- Ask webinar related questions by clicking **Q&A**
- Send site-specific questions to schoolmint.zendesk.com

Two Surveys at the end

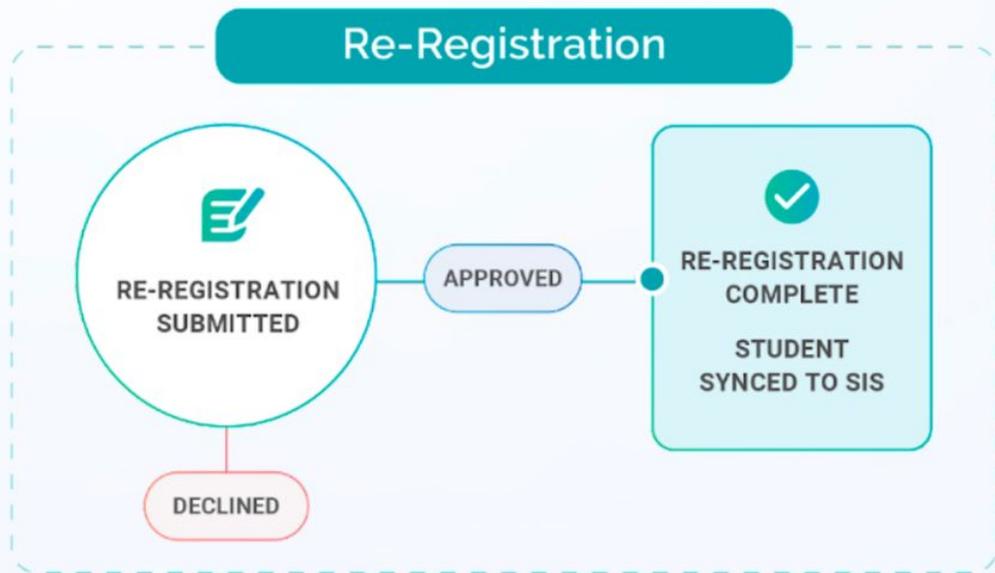

Re-Registration in Enroll

The Registration module in Enroll is built to handle both new registrations and re-registrations. In the Registration module, students who are registering in a school they attended in the previous school year are considered "re-registrations".

Registration forms are attached to the appropriate schools, and rules can be set up based on the organization's requirements.
